KEY FUNCTIONAL ACHIEVEMENTS & RESPONSIBILITIES

Talent Acquisition & Recruitment

- Spearheaded large-scale recruitment operations, successfully hiring over 400 employees within a 1.5-year period across multiple technical domains.
- Recruited for highly specialized technical roles, including Backend Java Developers, MEAN/MERN Developers, QA Automation Engineers, DevOps Engineers, and Data Engineers.
- Managed the end-to-end recruitment lifecycle (sourcing, screening, interviewing, selection, offer management, and onboarding) utilizing ATS platforms like Lever and Ciepal for workflow management.
- Developed robust sourcing channels, including job portals, referrals, headhunting, and internal talent pipelines, while organizing in-house recruitment drives for high-volume hiring.

HR Operations & Compliance

- Led HR compliance initiatives aligned with ISO 27001:2022, facilitating successful external audits by ensuring audit readiness and strict adherence to information security standards.
- Managed comprehensive HR operations, including payroll coordination, personnel record maintenance, probation reviews, annual appraisals, and structured exit processes.
- Collaborated with internal developers to design and implement an in-house HR automation system, featuring a leave and attendance management portal to reduce manual dependencies.

Organizational Development & Resource Management

- Served as the Product Owner for the development of an in-house Resource Management Portal to track workforce allocation and utilization.
- Led comprehensive job analysis initiatives to evaluate workload distribution, identify talent gaps, and support training needs analysis and business continuity risk mitigation.
- Designed automated, data-driven HR dashboards utilizing Microsoft Excel to deliver weekly, monthly, and quarterly analytics to leadership for strategic decision-making and compensation structuring.

Corporate Communications & Employer Branding

- Developed diverse corporate communication content, including internal messaging, announcements, and visual content/videos using Canva.
- Partnered with internal design teams and external marketing agencies to execute monthly employer branding initiatives and social media outreach campaigns.

Employee Engagement & Relations

- Addressed and resolved employee grievances, queries, and workplace concerns promptly to ensure high employee satisfaction.
- Executed impactful employee engagement initiatives, recognition programs, and welfare support to improve talent retention and motivation.

EDUCATION

Master of Public Administration (MPA)	University of Karachi	2017
Bachelor of Public Administration (BPA)	University of Karachi	2016
